JOB POSTING – Early Childhood Educator – 3 positions available

Little Acorn Care Centre's Goal:

Our goal is to help every child be happy, secure, and develop fully to his/her true potentials. To meet this goal we offer our families a safe, nurturing and stimulating environment dedicated to providing a warm and inviting atmosphere that allows children to develop at their own pace. Through play experiences and the guidance of staff, your child will be exposed to situations that will stimulate curiosity, initiative and independence. All of this combined is to ensure our preschoolers are prepared when they reach educational kindergarten.

Playschool and child care programs are based on children's interests and learning needs, and include the use of individual, small and large group activities, indoor and outdoor play, learning centres, outings and field trips. Activities will be varied frequently and designed to accommodate individual children's unique abilities.
