SNOW POLICY 2012

Closure of Centre BEFORE programs are scheduled to begin:

Closure of Centre may be due to inclement Weather, including snow, ice, and wind causing dangerous driving conditions as well as power outages.

Within the Greater Victoria School District, the Superintendent of Schools will provide media outlets with information about the status of their facilities (including Oaklands Elementary School) and transportation services by 6:30am. If Oaklands Elementary School is closed, Little Acorn daycare, all Out of School Care and Recreation programs will always be cancelled until we are advised that it is safe to re-open.

In addition, although we will do our best to be open, during inclement weather we may chose to close independently of the schools in accordance to police advisories to ensure the safe of the children, families and staff. If we do open, we may need to adjust our hours of operation to take into consideration staff's challenges to travel to the facility.

If the school is open yet you are questioning whether care will be provided, please check our website which will be updated by 7:00am, to give as much notice as possible before programs begin.

Closure of Centre DURING program operation hours:

If the weather conditions change suddenly during the day, and Oaklands Elementary School chooses to remain open, the administration at the Oaklands Community Centre can decide to cancel programs. If any program is in progress or is set to begin that afternoon and the decision has been made to shut down, parents/participants will be notified by staff. Parents of children in the Out of School Care or Daycare programs will then be responsible for ensuring that their child(ren) is (are) picked up:

If child(ren) is (are) attending Out of School Care programs, please pick up:

1. If it is during school hours (pre 2:48pm) – from school
2. If it is during Out of School Care Programs (post 2:48pm) – immediately from Oaklands Community Centre.

If child(ren) is (are) attending Little Acorn daycare, please pick up:

1. Immediately from Little Acorn Care Centre

Our website will be updated as soon as the decision to close down a program has been made.
