

COMMUNITY SERVICES

USED BATTERY AND RECYCLING PROGRAM

You can recycle your used batteries and cell phones at OCC. Through Call2Recycle™, many toxic materials and useful metals can be kept out of the landfill and reused. We will send them away for safe recycling.

PCEC “1000 X 5” CHILDREN’S BOOK RECYCLING PROJECT

Pick up a pack of books the next time you come to OCC, generously given to our community by the Peninsula Connections for Early Childhood (PECE) “1000x5” project. Through this initiative, gently-used children’s books are collected sorted, and distributed to young children (birth-5 years) and their families.

GET YOUR VTAG PAINT OUT KIT AT THE CENTRE

Victoria Together Against Graffiti aims to recruit members of the public to take responsibility for their communities and inform residents of the proper protocol to record, report, and remove graffiti. If you would like to pick up a VTAG kit please drop by the OCC or call 250.370.9101 for more information.

GOOD FOOD BOX

At Oaklands Community Centre, you can order, purchase, and pick up your own Good Food Box each Wednesday afternoon. For more information visit: www.thegoodfoodbox.ca or call 250-381-1552. Good Food Box is a project of the Fernwood Neighbourhood Resource Group (Fernwood NRG), a non-profit organization based in Fernwood.
