Section 1 - Vendor Application Process

- 1.1 A new application must be submitted each year, although a copy of the previous application with amended dates is acceptable if there are no other changes.
- 1.2 Vendors must submit a complete application by April 15th, 2016 before being considered for the season. The following selection criteria are applied with each vendor application:
 - overall product mix and balance;
 - seasonal availability;
 - consumer demand as determined by the Market Coordinator;
 - current number of vendors with similar product; and
 - producer's history of selling such product.
- 1.3 If the vendor wishes to add items to their stall that were not included on their initial application, they must submit a request to the Market Coordinator one week in advance of selling the product at the Market. The vendor is not permitted sell any new item(s) until they are approved. Please allow 3-4 days for a response from the Market Coordinator.

Section 2 - Stall Locations

- 2.1 There are three Vendor categories:
 - **Full-season Vendor** – a vendor who attends full Market season (10 markets). To be accepted to full-time status, season fees must be pre-paid .
 - **Half-season Vendor** – a vendor who attends half Market season (5 Markets) with a pre-determined schedule. To be accepted to half-time status, season fee must be pre-paid, including a drop-out deposit.
 - **Casual Vendor** – a vendor who attends the Market on casual basis. Dates are not pre-determined and there is no guarantee of stall availability week to week. An application fee is collected prior to the start of the season and stall fees are collected one week prior to attending the Market.
- 2.2 Full-season vendors will have first choice of stall location, followed by half-season vendors. Casual vendors are allocated to the remaining stalls.

- 2.3 When assigning any vendor's location, stall size and any other factors associated with assigning a stall space, the Market Coordinator will consider:
- Type of product;
 - Maintenance of diverse product mix and consumer traffic flow;
 - Benefits and disadvantages of placing certain products next to each other; and
 - Quality of the product, its display and presentation.

Section 3 – Fees and Cancellations

- 3.1 A drop-out deposit will be submitted by half-season vendors upon confirmation. One-third (1/3) of the deposit will be forfeited for each missed market and late cancellation (after 3 PM on the Monday before the market). If three markets are missed, a half-season vendor will forfeit their drop-out deposit and they will lose their vending spot.
- 3.2 Vendors must pay for booked stall spaces in advance of market dates as outlined on the Oaklands 'Become a Vendor' page at: www.oaklandcommunitycentre.com/markets/vendor. Half-season vendors must submit their drop-out deposit prior to their first market.
- 3.3 Confirmation is official when complete payment is received.
- 3.4 Casual vendors must pay no later than one week in advance of the Market date.
- 3.5 The Market does not refund vendor seasonal fees or casual vendor fees except in the case of cancellation by the OCA or with a doctor's note from a vendor.
- 3.6 Market Bucks are Oaklands Market currency issued by the OCA for purposes including but not limited to Market volunteer incentives and customer service. All Oaklands Market vendors must accept Market Bucks and change must not be given. Market staff will collect the Market Bucks from each vendor at the end of each market and redeem them for cash.
- 3.7 Vendor rates are set out in the Vender Rate table in Appendix 2.

Section 4 – Market Day Arrival Times and Lateness

- 4.1 Vendor set-up time is between 2:30 and 4:00 pm. Arrival times will be designated at the beginning of market season. Cancellations must be received by the Market Coordinator prior to 3pm the Monday before the Market. Late cancellations result in a forfeit of 1/3 (\$25) of the drop-out deposit.
- 4.2 Vendors who arrive after 4 PM will be issued a warning from the Market Coordinator. Vendors who arrive after 4:30 PM more than three (3) times will lose their spot in the Market and only be considered as a vendor if a spot is available 24 hours before the next Market date.

- 4.3 Vendors experiencing an unexpected delay are expected to notify the office or Market Coordinator as soon as possible. Market staff members are reachable by phone at the Oaklands Community Centre (250.370.9101).
- 4.4 Vendors must not dismantle their stall or leave the Market area before the Market's closing time of 8:30pm unless they are sold out of their product, in which case they must leave in a manner that causes minimal disruption to the rest of the Market.

Section 5 –Vendors' Conduct

- 5.1 To ensure a pleasant and safe experience for all patrons at the Oaklands Markets, vendors are expected to conduct themselves in a respectful, friendly and courteous manner.
- 5.2 Public airing of concerns during the Market with regard to other vendors, their products, pricing issues or Market operation is not permitted and may result in, at minimum, a written warning or, at maximum, the vendor being removed from the Market.
- 5.3 Vendors experiencing any difficulty with consumers, health officials, market volunteers or another vendor should refer the matter promptly to the Market Coordinator.
- 5.4 Verbal, physical or emotional harassment of any kind is strictly prohibited. If any form of discrimination or harassment is witnessed or displayed at the Market, the Market Coordinator must be notified immediately. The Market Coordinator may ask the offender to leave the Oaklands Market and Oaklands Community Centre property.
- 5.5 Smoking is strictly prohibited in and around all facilities of the Oaklands Community Centre and Oaklands School.
- 5.6 Any equipment or item vendors bring to the Market is subject to removal if the equipment or item is deemed by the Market Coordinator to be hazardous to the public, patrons, market staff or vendors.
- 5.7 The OCA reserves the right to suspend at any time a vendor's participation in the Oaklands Market after two (2) recorded violations of the Vendor's Conduct or to immediately suspend a vendor where the safety of the public or reputation of the OCA is put at risk. Refer to the Complaint and Review section for information on appealing a violation.

Section 6 – Complaints and Review

The Market Coordinator will implement and enforce the Vendors' Conduct (Section 5 of this handbook) in a fair and equitable manner.

6.1 Complaints against a vendor must:

- Be made in writing to the Market Coordinator; no longer than one (1) page in length;
- Include the name and contact information of the complainant – for contact purposes only;
- Clearly identify the issue at hand and the date of the incident; and
- Name the person(s) involved.

6.2 Complaints must be submitted in writing to the Market Coordinator via email or in writing addressed to: 1-2827 Belmont Ave., Victoria, BC V8R 4B2.

Section 7 - Sale of Approved Products

All products for sale must meet applicable laws, including Vancouver Island Health Authority (VIHA) requirements (<http://www.viha.ca/mho/food/>), Oaklands Market guidelines outlined in this document and requirements specified by the organic certifying body to which the vendor belongs. Vendors must be aware of and comply with Provincial Sales Tax and Federal Goods and Services Tax requirements.

OCA is a member of the British Columbia Association of Farmers' Markets (BCAFM). As a member, we uphold the following policies outlined on the BCAFm website <http://www.bcfarmersmarket.org/about-us/subpage/policies-and-positions>. Only approved products that are made, baked, grown, raised, caught or wild harvested by vendors can be sold at the Market and must be sold by their primary producer.

- 7.1 With the exception of approved hot beverage/food service vendors, the resale of purchased goods is prohibited.
- 7.2 All items at the Market are subject to random sampling by the Market Coordinator. Items may be removed from sale at the Market if they are not of reasonable quality and/or freshness as determined by the Market Coordinator.
- 7.3 The Market Coordinator may inspect sales receipts/records for the purpose of regulating locally sourced ingredients and supplies. If receipt or record is not in possession of the vendor at the Market, the Market Coordinator may request a scanned copy of the receipt/record by email.
- 7.4 If the origin or quality of product changes throughout the season, the vendor must inform the Market Coordinator of such changes in writing: for low risk foods, one week's

notice and for high risk foods, 30 days' notice. A subsequent review of the product may be required.

Section 8 – Vendor Types

Farm Vendors

The following section applies to vendors selling fresh produce at the Market, including: organically grown fruits, vegetables, plants, flowers, seeds, and other unprocessed food items.

- 8.1 Each farm vendor is required to display the farm's name, the grower's statement, and if applicable, certifications at their stall. Signage identifying products as "Organic" or "Biodynamic" must support these designations with prominently displayed certification documents at the front of the vendor's stall. Document copies must be submitted to the Market Coordinator prior to the first Oaklands Market.
- 8.2 Farms and products that are not "Certified Organic" should not display signage that includes the phrases, "organic" or "organically grown" or "non-certified organic." Where such statements are used, they must have certification to back up such claims.
- 8.3 Products that include organic ingredients that are not certified organic cannot use the word "organic" when listing ingredients on product label.
- 8.4 The term "no spray" is misleading and should not be used on signage or when speaking to shoppers about growing methods.
- 8.5 Eggs, dairy, meats, fowl, fish or seafood are subject to the VIHA Temporary Food Market Guidelines for display and sale. Please refer to the guidelines for further information at (<http://www.viha.ca/mho/food/>).

Oaklands Market encourages all food handlers to vaccinate against Hepatitis A and B.

Prepared Food Vendors

The following section applies to vendors selling processed food products at any Oaklands Market, including: value-added foods, canned foods, preserves, baked goods, and other processed edibles. All prepared foods sold at the Market must be juried and approved by the Market Committee.

As per VIHA regulations (<http://www.viha.ca/mho/food/>):

- 8.6 Vendors using a home-based uninspected kitchen are required by VIHA to display a sign that is clearly visible to the consumer at the point of sale, identifying it as a low risk food that has been prepared in a kitchen that has not been Health Authority inspected.

- 8.7 All vendors are required to have an ingredient list for each product at the Market upon request. Prepared food labels should also include contact information for the producer (e.g., name, email address, website, and phone number).
- 8.8 Except where they meet VIHA regulations, products that may not be sold include: dairy products (e.g. milk, cream, cottage cheese); meat, fish, poultry or products thereof; live animals, including fish and fowl; cakes, pies, tarts or bread products that have a syrup, frosting or topping on the surface or a cream filling.
- 8.9 Higher-risk prepared foods, eggs, and frozen meat, poultry or fish must be prepared and held for sale at temperatures in accordance with VIHA regulations.
- 8.10 All prepared food must be kept covered at all times. Open prepared food must be served using appropriate, clean tools (i.e. tongs, cloth napkins). Vendors handling cash must wash their hands before touching open prepared food. See Section 9 - Food Sampling and Labelling for further details.

Oaklands Market encourages all prepared food handlers to vaccinate against Hepatitis A and B.

Food Service Vendors

The following section applies to food truck and/or food service vendors.

- 8.11 All Food Service Vendors must have a current Mobile Food Service Vendor Permit from VIHA, and must submit a copy of this permit to the Market Coordinator prior to their first market date or upon application and be eligible to sell food at farmers markets.
- 8.12 At least one operator in attendance at the Market must have completed the Food Safe Program (<http://www.foodsafe.ca>). A copy of the Food Safe Certificate must be provided to the Market Coordinator upon application.
- 8.13 Food Service Vendors must carry a minimum of \$1 million liability insurance including product liability. Vendors must submit proof of insurance prior to the first Market date.
- 8.14 Food Service Vendors must provide their own power as the market location for Food Service Vendors does not have electricity. Approved power sources include: batteries, silent generators (invertors), propane, and power packs. Conventional generators require prior approval before use and must be less than 85dB as measured at the source. Generators must be placed at least 10 feet away from buildings or structures. A fire extinguisher must be present when a generator is being used.
- 8.15 The Market encourages the advertisement of local food ingredients whenever possible.
- 8.16 The Market requires menus and ingredients for all items offered for sale to be clearly displayed or available upon request at each food service trailer or food stall.
- 8.17 All Food Service Vendors are required to use compostable or reusable cups, plates, and cutlery.

Oaklands Market encourages all food service handlers to vaccinate against Hepatitis A and B.

Bottle Sales at the Market

The following section applies to vendors selling alcoholic beverages at the Market, such as locally crafted beer, cider and BC wine.

- 8.18 Local craft beer and wines will be available on a bi-weekly basis at the market (inside the beer garden area) based on the Market Coordinator's seasonal plan. Only manufacturers with an approved on-site store endorsement are eligible to apply.
- 8.19 The BC Liquor Control and Licensing Branch issues approval for Special Occasion Licenses. A copy of the license must be given to the Market Coordinator prior to the Market date.

Craft Vendors

The following section applies to vendors selling crafts at the Market including crafts, arts, and other hand-made products excluding food.

- 8.20 Crafts must be of original, handcrafted, unique work or design; and the starting material must be significantly altered and enhanced by the artisan.

Personal Service Vendors

The following section applies to vendors selling personal services, such as massage therapy, face painting, or henna tattoos.

- 8.21 Persons who provide services that physically manipulate the body must provide a copy of a license to practice to the Market Coordinator with their application. For reasons of liability, they may not physically manipulate the bodies of members of the public and market patrons unless an insurance rider is provided to the Market Coordinator by the practitioner that names an additional insured and gives indemnity to the OCA.

Education & Community Service Groups

The following section applies to education and community non-profit groups providing information and/or services at the Market.

- 8.22 Education/community tables will be reserved at each Oaklands Market for non-profit organizations with an interest in the environmental, social or cultural health of the community. Priority may be given to groups who have not yet had a space at the Oaklands Market in the current season.

- 8.23 Groups strictly promoting one political party or religious perspective are not considered education/community groups. For example, the Anglican Church of Canada would not be granted a space but their international development organization, the Primates Fund, could apply for a space.
- 8.24 Depending on space availability, space may be reserved for community-minded for-profit organizations to inform the public of their services (e.g. Larsen Music).
- 8.25 As applicable, items for sale on tables must abide by Sections 1, 7 and 9.

Section 9 – Food Sampling and Labelling

- 9.1 Vancouver Island Health Authority states the following guidelines for all food sampling and labelling in their [Sale of Foods at Temporary Food Markets](#). The Market requires adherence to these guidelines.
- 9.2 Food samples are to be portioned off-site and transported to Oaklands Market in clean, sealed containers.
- 9.3 Any portioning performed on-site requires the vendor to have a hand washing station set up and ready to use for the duration of the Market. A person who has a Food Safe or Market Safe Certificate on file with Oaklands Market must be present when portioning samples at the Market. Consumers cannot cut, divide or otherwise portion product at the market.
- 9.4 Food samples are to be displayed in a single layer on a covered plate so they are protected from contamination.
- 9.5 There should be adequate space between displayed samples to prevent consumers from touching more than one sample. Use of compostable or recyclable single-use utensils is encouraged (e.g. wooden toothpicks, mini paper cups).
- 9.6 Vendors should avoid direct contact with food by using tongs or gloves to handle samples or unpackaged products such as bread. Tongs and gloves cannot touch consumers' hands or fingers.
- 9.7 For higher-risk foods, visual displays of products which require temperature control but are displayed outside of refrigeration for longer than 10 minutes are to be marked as "display only" and must not be offered for tasting or sale.
- 9.8 Samples of food requiring refrigeration should be made available in small amounts and replenished frequently to ensure food and safety standards.
- 9.9 Food Safe Certificates must be on hand at the vendor's booth. Acceptance/Confirmation letters from the VIHA must be posted at the front of the vendor's stall. Lab test results should be available from the vendor if needed for verification by a visiting Health Officer.
